

Bullying Prevention and Response Policy

Ratified by School Council May 2021

1. Definitions

- 1.1 In 2018 the Education Council of the Council of Australian Governments endorsed the following definition of bullying for use by all Australian schools:
- 1.1.1 Bullying is an ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm. It can involve an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening.
 - 1.1.2 Bullying can happen in person or online, via various digital platforms and devices and it can be obvious (overt) or hidden (covert). Bullying behaviour is repeated, or has the potential to be repeated, over time (for example, through sharing of digital records)
 - 1.1.3 Bullying of any form or for any reason can have immediate, medium and long-term effects on those involved, including bystanders. Single incidents and conflict or fights between equals, whether in person or online, are not defined as bullying.
- 1.2 Bullying has three main features. It:
- 1.2.1 involves a misuse of power in a relationship;
 - 1.2.2 is ongoing and repeated, and
 - 1.2.3 involves behaviours that can cause harm.
- 1.3 Bullying can be:
- 1.3.1 *direct* physical bullying – e.g. hitting, tripping, obstruction of movement and pushing or damaging property.
 - 1.3.2 *direct* verbal bullying – e.g. name calling, insults, homophobic or racist remarks, verbal abuse, gender discrimination or sexual comments.
 - 1.3.3 *indirect* bullying – e.g. spreading rumours, playing nasty jokes to embarrass and humiliate, mimicking, encouraging others to socially exclude a person and/or damaging a person's social reputation or social acceptance.
- 1.4 *Cyberbullying* is direct or indirect bullying behaviours using digital technology. For example via a mobile device, computers, chat rooms, email, social media, etc. It can be verbal, written and include images, video and/or audio.
- Other distressing or inappropriate behaviours
- 1.5 Many distressing and inappropriate behaviours may not constitute bullying even though they are unpleasant.
- 1.6 Students who are involved in or who witness any distressing and inappropriate behaviours should report their concerns to school staff and our school will follow the relevant policies e.g.: Student Wellbeing and Engagement Policy and Inclusion and Diversity Policy.
- 1.6.1 *Mutual conflict* involves an argument or disagreement between people with no imbalance of power. In incidents of mutual conflict, generally,

both parties are upset and usually both want a resolution to the issue. Unresolved mutual conflict can develop into bullying if one of the parties targets the other repeatedly in retaliation.

- 1.6.2 Social *rejection or dislike* is not bullying unless it involves deliberate and repeated attempts to cause distress, exclude or create dislike by others.
- 1.6.3 *Single-episode acts* of nastiness or physical aggression are not the same as bullying. However, single episodes of nastiness or physical aggression are not acceptable behaviours at our school and may have serious consequences for students engaging in this behaviour. Our school will use its Positive Behaviours Model to guide a response to single episodes of nastiness or physical aggression.
- 1.6.4 *Harassment* is language or actions that are demeaning, offensive or intimidating to a person. It can take many forms, including sexual harassment and disability harassment.
- 1.6.5 Further information about these two forms of harassment, including definitions, is set out in our Inclusion and Diversity Policy.
- 1.6.6 Harassment of any kind will not be tolerated at our school and may have serious consequences for students engaging in this behaviour. Our school will use its Positive Behaviours Model, including the Student Wellbeing and Engagement Policy to guide a response to students demonstrating harassing behaviour, unless the behaviour also constitutes bullying, in which case the behaviour will be managed in accordance with this Bullying Prevention Policy.
