Term 2 Issue 8

Whole School Return

It has been lovely to welcome back the Grade 3-6 students this week after 8 weeks of Remote Learning. I cannot believe how much the students have all grown during 'iso' and it is great to see them running around and enjoying our new oval.

Thanks to all of the parents who have been very swift with pick up and drop off. The streets around the school have been calm and students have settled into learning extremely well in the morning. Please remember that students can arrive at school any time from 8.45am- 9.05am. We have had a few students on bikes arriving too early before the gates open. Please ensure your children don't leave home too early. Please keep up the great work and remember that by keeping apart we will all be able to come back together much sooner.

GIVE IT A GO!

A lot has changed over the last few months, including the way we spend our time. We've dusted off the bikes, put on our runners and taken in some fresh air to keep our minds and bodies happy and healthy.

As lockdowns ease, there's never been a better time to plan and test out different routes to school and choose which ones works best for you..

We want every parent to feel confident in making healthy, safe choices when it comes to getting their kids back to school, so we've come up with some simple steps to get you on your way.

READY to rock 'n' roll?

- Strap on your runners or pump up your tyres
- Make sure your helmet fits tight
- Pack your school bag

SET to travel to school?

- Find your best route
- Practice the road rules
- Recruit a friend

ROLL on out!

- Test your path to school
- Stay safe
- Have fun

Do it all over again!

Be sure to check out the Ride2School website and Facebook page as we continue to support you on your journey to school by posting online content including 'How To' videos, tips & tricks and a whole lot more!
