## SRC Leadership Incursion

Last Thursday the SRC representatives completed the Lead it! Mini Boss Incursion to explore leadership skills (team work, critical thinking, problem solving, creativity, communication and presentation skills) and what it takes to be a leader.

Throughout the incursion students explored the qualities and values of an effective leader. They discovered how they can use their unique skills and talents to put everyday leadership into practice. As leaders in our school the SRC are now more equipped to make a meaningful difference in our school community.

Leadership is... A mix of things Leading people to success Taking initiative Being inclusive Setting an example	A leader is someone who... Trusts themselves Takes action Has confidence Is a role-model Has a growth mindset Takes responsibility
--	--

Through the workshop they responded to each of the statements below:  
At our follow up SRC Meeting via Google Meet on Monday, each representative was asked to summarise their thoughts on leadership through a quote. Here is a sample of what was submitted.

'Every voice deserves a microphone' - Evan

'A leader is a role, not a burden' - Luca

'Leadership is an action, not a position' - Zane

'It is vital that you believe in yourself before anyone else can believe in you'  
- Lizzy

'Do not follow where the path may lead. Go instead where there is no path and leave a trail' - Taylor

'You can't succeed unless you try' - Ziv

'A leader is one who knows the way, goes the way, and shows the way' - John

'Leadership is about vision and responsibility not power' - Isabella

We look forward to sharing more insights into the work of the SRC throughout Semester 2.
