Principal's Message

It has been great to welcome back our Junior School and once again hear the heart-warming sounds of children joyfully playing in the yard and running around our wonderful new oval. The children have adjusted back to life at school remarkably well and have shown resilience and open mindedness to the changes at school. I am sure many of the children were physically and emotionally exhausted yesterday after school. Coming out of 'Iso' and being around all of their friends again is a big change compared to the last 8 weeks of relative seclusion. Please be mindful that the children are in a period of adjustment and they may be a bit out of sorts until they get used to the routines of school.

We would like to remind families to maintain physical distancing when using the school crossing before and after school. As this is a tight space, we need to ensure our crossing guards can continue to do their job safely.

Thanks to all of our parents for their efforts in adhering to the School Operating Guide and being very patient and considerate as we are all getting used to the new normal. Pick up and drop off has been calm and very efficient, with people being mindful of physical distancing. Although, we have had some students arriving too early and waiting at the back gate, please ensure that your child/children do not arrive before 8.40am when the gates are open and they can go straight inside. Arriving early creates crowding around the gates and we need to avoid this to maintain suitable distancing.

We are in the process of reviewing the pick-up and drop-off procedures for next week and for the following week when the whole school returns. Details will be communicated via Konnective once plans have been solidified. To all of our Grade 3, Grade 4, Grade 5 and Grade 6 students, keep going! You are doing a brilliant job with your Remote Learning and the finish line is in sight. We can't wait to welcome you all back on June 9th.

Until then here is some motivation to keep on learning and doing your best.

School Fees

Just a reminder to families that the next instalment of school fees is now due.

Due to the Covid-19 situation, processing of the second instalment has been moved to 1st June. The third instalment has also been amended to 20th July, with the final payment remaining due on 14th September.

Payment can be made through Qkr, credit card, direct deposit into the school back account (using your surname as the reference) or cash. The school bank account details are:

CBA BSB: 063 126 Account # 10319871

Please do not hesitate to contact me for further clarification or queries.
